- **Refund Policy:**
RTO Default: Whereas the registered provider SC fails to provide a course or ceases to provide a course to an overseas student in accordance with section 27(1) of the ESOS Act then SC will refund to students within 14 days the unused portion of all tuition fees paid in advance. Should the student desire to take an alternative course with SC, fees will be fully transferable to that course.

Student Default: Where an overseas student does not start a course or withdraws from a course as defined in section 27(2) of the ESOS Act the following conditions will apply regarding a refund of fees:

- For any overseas student who has paid tuition fees towards a course at a location, but has not yet commenced that course, Starford College must refund 100 per cent of the tuition fees to the student.
- For any overseas student who has paid tuition fees and has commenced the course at the location, Starford College may retain the spent portion of the student's fees, but must refund the unspent portion.
- The method for calculating the amount of refund owed to an overseas student as a result of a provider default is set out under the Education Services for Overseas Students (Calculation of Refund) Specification 2014 (the ESOS Refund Specification).

How to calculate the refund amount

There are three steps involved in calculating the amount of refund owed to a student:

- **Complaints and Appeals:** SC follows a Complaints and Appeals policy. Students are required to complete a Complaints and Appeal Form and lodge this form at reception. SC will action the complaint or appeal within 5 working days by contacting the parties involved and providing a written response. SC will commence the appeals process with 10 working days of a formal lodgement of the appeal and supporting information. All reasonable measures are taken to finalise the process as soon as practicable. It is required that students use the internal Complaints and Appeals system first before using an external system if they are not satisfied with the SC decision.
